

Who We Are:

The Child & Family Collaborative (C&FC) is composed of professionals in York Region who work with children from the prenatal stage to twelve years of age in the early learning sector. The C&FC website is designed to support early years professionals and families by providing resources, links, professional learning opportunities, and employment listings.

Visit the Child and Family Collaborative website to:

- Post an employment opportunity
- Look for job postings
- Select from early learning speakers
- Explore resources and community programs
- Search for Professional Learning events and conferences

What are "Subcommittees"?

The C&FC has established Subcommittees to implement its work plan. These Subcommittees are composed of professionals from York Region in the early learning sector.

These dedicated individuals volunteer their time to support the vision and initiatives of the C&FC.

More volunteers are welcome to join!

Be part of a vibrant community making a difference in the early years!
